Filmop was founded in the early 70s with the aim of specializing in the manufacturing of manual cleaning equipment for professional use.

Situated in the main production areas in the north-east of Italy, Filmop is a leading company in the professional cleaning and a reliable partner for thousands of professional people who operate in this market, proud to develop the "Made in Italy" trademark all over the world. This is the real reason why Filmop has decided to design, plan and produce its own products from the beginning of its activity till today only and exclusively in Italy.

Filmop plant is about 30.000 square meters, including warehouses for storage of finished and semi-manufactured products, administration, sales and purchases offices, production and assembling departments, a laboratory for research and development.

AKC Has Partnered With Filmop Recently And Started A Very Promising Cooperation In The UAE Market .

KenoluxTM

by CID LINES

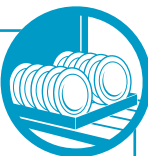

WASH

5 L - 10 L - 25 KG

Alkaline cleaning product for automated dish washing
Concentrated liquid cleaning product for automated dishwashers, composed especially for excellent cleaning results and stain removal in all watertypes.

WASH CL

5 L - 25 KG

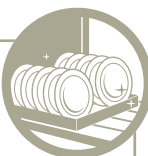

Chlorinated cleaning product for automated dish washing
Concentrated liquid cleaning product for automated dishwashers, composed especially for excellent cleaning performances and stain removal in all watertypes.

RINSE

5 L - 20 L

Rinsing product for the dishwasher
Liquid rinsing product for dishwashers.

DISH

0,5 L - 5 L

Universal detergent for manual use
Concentrated universal detergent for manual use. Can be used in multiple applications: surfaces, dishes, machines, ...

MULTI ACTION

5 L

Powerful cleaner for floors and surfaces

Powerful all-purpose cleaner used for cleaning hard surfaces in kitchens such as: floors, partitions, ceilings and general equipment.

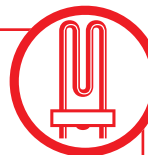

DECALC

5 L

Descaler

Acid cleaner for the removal of scale on kitchen equipment, materials and dishwashers.

ECO DES

5 L

Cleaning disinfectant based on quats
Cleaning and degreasing product for cleaning all surfaces in kitchens and food industry, ...

GLASS

5 - 1 L

Glass cleaner

Ready-to-use spray for cleaning glass and other hard water-resistant surfaces, without leaving streaks.

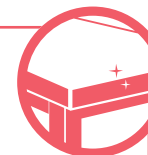

SHINE

1 L

Cleaning and maintenance product for stainless steel surfaces

Ready-to-use maintenance product for stainless steel surfaces.

GRILL

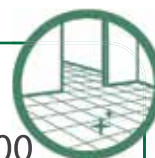

5-1 L

Detergent for deep fryers, grills and ovens
Strong alkaline detergent for cleaning deep fat fryers, grills and ovens.

Kenolux F 200

is a slightly alkaline floor cleaner for all floors. It has a very strong perfume with a long lasting and relaxing effect. Kenolux F 200 can be used for manual use or for an automatic scrubber-dryer machine. It has a strong cleaning effect and gives a shine to hard floors.

ALCO CID A

Disinfection Liquid For The Food
Industry used against bacteria where food and drinks are prepared, treated or stored, on surfaces that may come in contact with food.

Kenolux F 500

is a strong and concentrated alkaline product with a good cleaning activity on heavily soiled floors especially for animal and vegetable vets. Do not use on soft floors or aluminum.

Keno Soft-N

Gentle Non perfumed Hand Soap For Optimized Hand Hygiene, it contains skin protecting agents, softening agents and anionic surfactant

Kenolux F 300

is a strong degreasing floor cleaner for use in industrial kitchens, the food industry and workplaces. For manual and automatic use.

Kenolux F 100

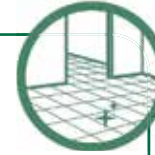

is a highly concentrated neutral cleaner for all types of surfaces and floors. It is a strong-smelling cleaner with a long and relaxing effect. Kenolux F 100 can be used manually and in scrubbing machines. Especially designed to be used on treated, soft floors.

FLOOR

5 L

Strong universal floor cleaner for manual and automated use
Strong degreasing floor cleaner for use in industrial kitchens, the food industry and workplaces. For manual and automatic use.

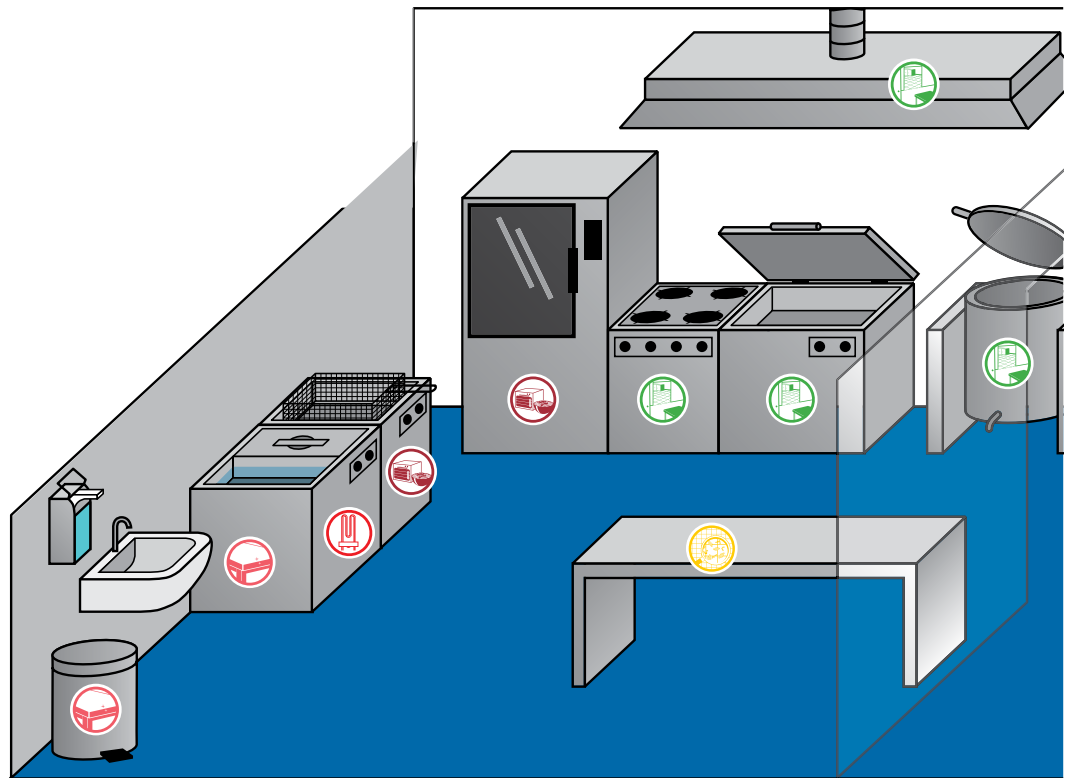

Kenolux F 400

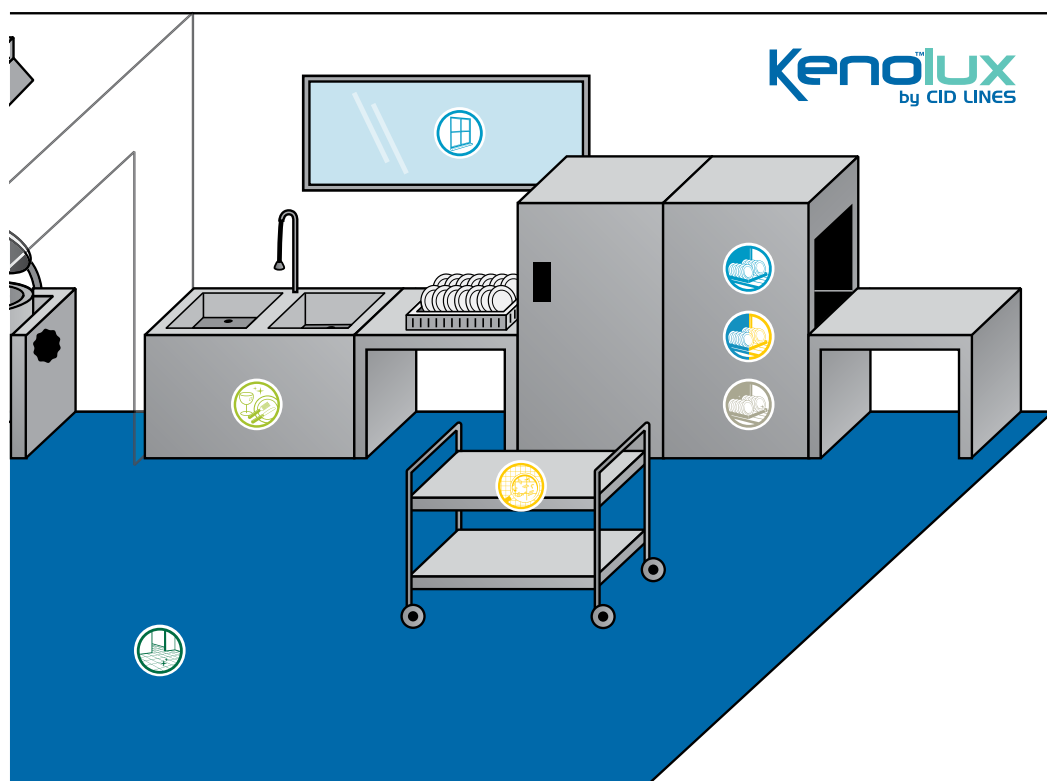

Is a strong and concentrated alkaline product with a good cleaning activity on heavily soiled floors especially for mineral oils. Do not use on soft floors or aluminum.

MACHINERY

Elsea was founded in 2001 by a group of young entrepreneurs, already experienced in the field of industrial vacuum cleaners. Their main object was to combine their deep knowledge of the cleaning market to high quality products, entirely made in their production facilities located in the south of Italy, close by important and strategic geographical areas.

This actually marked the turning point towards the international trade. The following years showed an increase in the acquisition of customers around the world, where ELSEA gave its considerable contribution to the strengthening of the "Made in Italy" brand. Nowadays, its constant renewed and expanded range of products, whose quality is internationally certified by ISO 9001: 2008, TUV – GS, cTUVus and GOST, is present all over the European, American, Australian, Asian, Russian and South African markets.

AKC has become the exclusive distributor for Elsea Products in UAE since 2012 and opened the new service center facility which provide the right and fast service in a very short time .

Vacuum Machine 77 Lt Wet & Dry (Verso) VM 12

Packing: 1 pcs

Hotel Compact Professional Vacuum Cleaner

VM21

Capacity: 11 Lt

Function: Dry

Motor: 1 Motor With Regulator

Material: Polypropylene

Power Consumption: 27.7 Kwh / Annum

Noise Level: 69 Db

PMax: 650 W

Weight: 7.7 g

X15: The last born in ELSEA. This vacuum cleaner combines an innovative and functional design with high performances and low consumption. Thanks to its powerful suction and to its really low noise level, the X15 guarantees very high performances. Moreover, the low electrical power absorption attests the X15 in A energy efficiency class.

The X15R is equipped with a potentiometer. Handy and easy to use, this machine is provided with an ergonomic handle to facilitate the movement. The X15 is also equipped with a useful pedal start & stop system, with a motor speed regulator and with a light indicator to signal when the dust-bag is full.

MBL-17 is the only machine in the world with a one piece solid cast iron apron. with its exclusive design and with a very well distributed weight of 70 Kg which make it so easy to control with no extra weight need to be added

SM29

GVS Series	GVS – 17
Cable Length	15.2 Mt
Current	14 AMP
Gear Box	Triple Planetary
Motor DC	1.5 Hp
Pad Size	17 Inches
Pad Speed	160 – 330 Rpm
Performance	2000 – 3000 Ft / Hour
Weight	44.5 Kgs

The GVS Series features three durable models to choose from. Simply vary the speed by the handy switch. 160 RPM'S up to 330 RPM'S.

You can even vary the speed during operation! No one else can say that. Why buy two machines when the GVS will do.

The production of Lindhaus cleaning machines began in the mid 80's with only one purpose: to design and build the best multifunctional carpet cleaners for domestic and professional use worldwide.

Lindhaus has been selected by several prestigious organizations such as the United States White House as well as other US government buildings, several large colleges and Ivy League Universities across the United States, the Slovenian and Austrian Government, the Dutch Royal Palace, the Italian

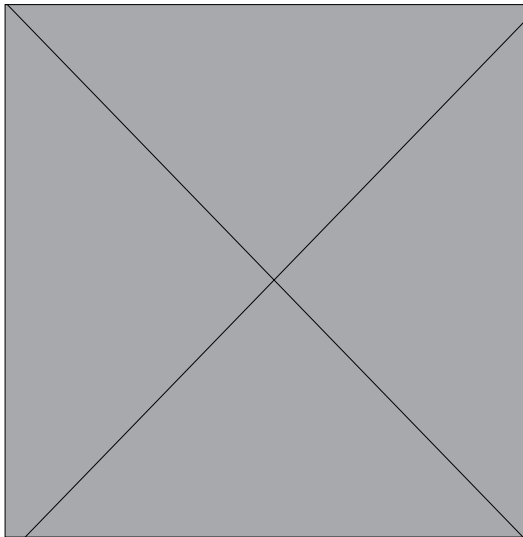

Chamber of Deputies, several global church organizations, many large medical facilities and several other elite entities.

The Lindhaus machines have been considered among the best for quality and price, filtration efficiency, performance, low noise levels, durability and low power consumption.

AKC Co Started up a new partnership late 2015 promising of delivering the best product in category along with the best possible service from our well trained team .
